LIFE OF A PIONEER.

# **AXTON WRITES** OF ARMY LIFE.

Preparations for Manifa.

NOW WITH THE EIGHTEENTH

Most of the Families Will Accompany The Troops Though Axton's Will Remain at Fort Douglas.

Chaplain John T. Axton of the Eighteenth infantry at Fort D. A. Russell writes a friend in this city, under Jan. 22 date: "Everything is bustle and excitement in preparation for the departure for the Philippines. Surplus stores, arms and ammunition on hand since the reduction of the size of companies are being packed and shipped to storehouses and arsenals. Men are being examined as to their physical fit ness for the trip, and all are being vaccinated. Every officer who is entitled to leave and can possibly be spared is away now or soon will be, and some will rejoin the regiment only when ready to sail from San Francisco. Many of the officers already have their household effects packed and ready for ship ment. Most of the families will accomly will be quartered at Fort Douglas orders having been issued to that effect by Col. Bubb and approved by Gen Funston. When the regiment leaves San Francisco, April 1, it will have been in this country less than 18 months, the early return to the Philippines being necessary in order to bring future movements into rotation Utah volunteers will be interested in the movements of the Eighteenth, for they saw some hard service together and there is a strong attachment beween the officers and men of these wo organizations,

"My work has gone on with a remarkable swing. Every service is well sustained, and the hall is usually crowded. It happened that payday and our liter-ary society meeting came on the same day last week, and we thought the at endance might suffer badly, but men stuck to the work and we had a fine program that night. Acting on the suggestion of Adjt.-Gen. Corbin I have started a singing school, found a leader and got 25 college songbooks, and the men are doing the rest. They enjoy singing the oldtime songs. A fea-ture of interest in our post life is the regular Friday evening concert by the orchestra. It is a fine organization of about 20 pieces, and they play excellent selections, seven numbers at each con-Our Thursday night service is or about the same order as that at Fort Douglas, being supported by the townspeople from Cheyenne. One thing for which I have longed these days is a Sunday school absolutely detached from every other service. Here I have it The school meets at 2:30 p. m., and is in every way a success. My impression is that when the regiment leaves, the Christian people of Cheyenne will con-tinue the Thursday service, and the

"I have taken the trouble to look up the Wyoming record of Jesse McMillan and find that his family is one of the choicest, and that his early associates were all men who now hold prominent places in the state. Many of these will endorse his application for pardon, and the letters he will have from this re-gion will be the strongest. His seems to me a very worthy case, and I feel like doing my utmost for him. I hope to have a Sunday in Salt Lake, and to spread myself over lots of ground on

### HOME MISSIONARY APPOINTMENTS

Following is the list of home missionary appointments for tomorrow, Sun-

First ward-James F. Iverson and Joseph F. Smith, Jr. Second ward-John T. Caine and George Q. Morris. Third-Arnold H. Schulthess and Or-

son S. Squires. Fourth ward-Milando Pratt and J. Lloyd Woodruff. Fifth ward-Philip S. Maycock and

Joseph J. Gill. Sixth ward-Henry S. Tanner and Charles G. Berry.

Seventh ward-Franklin S. Richards and Herman F. F. Thorup. Eighth ward-David McKenzle and Arthur H. Taylor.

Ninth ward-George C, Lambert and J. Percy Goddard. Tenth ward-Frederick E. Barker and William Anderson. Eleventh ward-John H. Evans and George Bowman.

**BIC IRRICATION** TUNNEL SCHEME

Salt Lake Soldier Chaplain Tells of Davis County People After Weber County Flood Waters.

PLANS FULLY OUTLINED.

Tunnel Will be Five Miles Long and Construction is Estimated at a Very Large Sum.

Another large irrigation enterprise is eing launched and if conducted to a satisfactory conclusion will mean the reclamation of from 40,000 to 50,000 cres of farm lands in Davis county n this state. A corporation, to be known as the Davis County Canal & Irrigation company, has been organized and the capitalization will be from \$500,000 to \$1,000,000. The incorporators are well known and progressive men in Davis county. They are Hyrum Stewart of Kaysville, O. P. Hitch of Bountiful, William H. Streeper of Centerville, William N. Nalder and William I. Layton of Layton, E. B. Clark of Farmington, Thomas S. Jones of Blaine, James Warren of Clearfield and M. M. Brown of Wood's Cross.

The problem will involve either the construction of a nine-mile flume or five-mile tunnel. It has been estimated that a tunnel would cost \$310,000, and a flume \$325,000, and the tunnel project eems to be most favored. If constructed the tunnel would take water out of the Weber river near Peterson in Morgan county, and let it out on top of the sand hill. The flume would take the water from the proposed ditch at Devil's Gate, four miles from where the iver would be tapped at Peterson. John H. Blood, chairman of the com-

John H. Riood, charming of the con-mittee on acreage, reports that he has platted 43,000 acres and estimates that there will be a total of about 50,000 acres, of which about 5,000 are virgin territory. This company is associated in some measure with the Weber River eservoir, Power & Irrigation company, which was organized some months ago in Morgan county, whose officers and directors are: Moses W. Taylor, Coal-ville, president; J. T. Thompson, Hooper, vice president; T. L. Allen, Coalville, secretary; J. G. M. Barnes, Kaysville, treasurer; R. E. Egan, Wood's Cross; Arthur Maxwell, Peoa; G. W. Bramwell, Plain City; Lyman Meacham, Milton; William H. Rich,

The capitalization of this company is

Messrs. Doremus and Kelsey, the engineers of this company, have made surveys and plans and report that dams and reservoirs will be near Peoa, Kamas, in Chalk creek, Lost creek and Hardscrabble. The capacity of the reservoirs will be 800 cubic feet of water a second for 60 days and that they will furnish water to 100,000 acres, half of which is in Davis county. The two projects are so closely allied and so inter-dependent that they will either go through together or not at all. It is currently reported that a large portion of the first \$250,000 capital stock of the present on the ground the further sur-veys and plans will not be undertaken until spring opens

CONTRIBUTIONS RECEIVED.

Relief for the Sufierers Fram Famine In the North of Sweden.

A week ago today the Deseret News took active steps to invite aid for the distressed people in the famine-stricken dstrcts of Sweden, and requested that contrbutions for this purpose be forwarded without delay to Mr. A. W. Carlson of Z. C. M. I., Salt Lake City, same. He now reports that no sooner was the paper out than people called and expressed their willingness to aid, and that information has also been received from various localities that re sponsible persons have been appointed on committees to collect means and for-ward them to him. The receipts to date are as follows:

From Prof. W. C. Clive, Salt . Dahlquist, Salt Lake City. 10.00

Scandinavian committee, Sait Lake City.... A. W. Carlson, Salt Lake City. 25.00

A. W. CARLSON.

MEETINGS DISCONTINUED. Bishoprie of 22nd Ward Takes Precaution Against Smallpox.

On account of the prevalence of smallpox in the Twenty-second ward, the Bishopric of that ward is taking every necessary precaution to check its spread and to that end has discontinued all public meetings until such time as all danger of the epidemic has passed. As is well known that section of the city is sorely afflicted with the dread disease and it is feared that if further meetings are held exposure to the dis-gase may become even more widespread than it is. Hence the action of the ward bishopric which, to say the least, is commendable.

CARD OF THANKS.

On behalf of the family, I hereby tender heartfelt thanks to all kind friends who exhibited sympathy and rendered assistance, during the illness of Mrs Penrose or at the funeral, including the speakers, the quartet, the soloist, Mrs. Maggle Hull, the Bishopric, donors of Maggle Hull, the Bishopric, donors of the beautifut flowers, and the ladies of the Ninth ward, who so tastefully dec-orated the meetinghouse for the occa-sion. May God bless them all. C. W. PENROSE.

Unconscious From Crosp.

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling the swelling and inflammation, cut the mucus and shortly the child was resting easy and speedfly recovered. It cures Coughs, Colds, LaGrippe, and all Throat and Lung troubles. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure health giving. contribute pure, health-giving oxygen to the blood. Z. C. M. I. Drug Store, German meeting-Sperry W. Lawson. 112-114 Main St.

# SHOULD ALUM BE IN BAKING POWDER

The Question Being Decided by State Senate Committee.

SAID TO BE VERY HARMFUL

Local Manufacturer Says He Will Kill New Pure Food Bill if it Condemns Alum.

Some of the local baking powder manufacturers have exhibited so much anxiety lest their product be designated as one of the impure foods in the new pure food bill, that it has aroused the suspicion of Chairman Love, the author of the bill, and the other members of the senate committee on manufacturera and commerce.

For the purpose of making something of an investigation the committee held a meeting yesterday afternoon, at which State Food Commissioner Heiner was present by invitation.

Chairman Love stated that a local manufacturer had approached him with

the warning that if his new bill con-tained a clause prohibiting the use of alum in baking powder, he would de-feat it, just as he had defeated a simllar measure in the lower house two years ago. Senator Love explained that since the manufacturer seemed so concerned he thought he would ascertain whether or not alum was deleterious as a property in baking powder.

Mr. Heiner said it was decidedly so, and at the request of the committee went on to state that Utah was loaded up with adulterated goods; that the pure food requirements in this state

were so loose that manufacturers ship-ped food stuff here that could not possibly be sold in the eastern states. Mr. Heiner said that when he attended the pure food congress in the east last year he made careful inquiries as to the nature of alum, and was assured by the best authorities there that alum was very injurious to take into the stomach and that its presence in baking powder was not to be toler-

Senator Love suggested that the fair-est way to treat the manufacturer and the consumer was to require the former to label their baking powder with alum as one of its ingredients. All the members of the committee concurred in this idea, but further discussion was postponed until Tuesday afternoon, when the baking powder manufacturerers will be given a hearing.
